

Ounate-Lare Prayer Update June 2021

Dear Friends,

Greetings from France. We hope you are keeping well. This week many places here have opened up again including restaurants and sport centres. The evening curfew has also been pushed back to 11pm and so it's possible to get out and enjoy the longer evenings.

As a church we've been able to gather on Sundays in person for several months but these changes mean we can now also gather in person for evening meetings.

We are all keeping well. Joshua & Eloise will have their Baccalaureat exams over the next two weeks. Johan has his Brevet (GCSE's) at the end of June. After a very tiring year we hope to get away for a few days as a family early in July. ***Please pray for a restful and refreshing time.***

We are grateful to God that we finally received our new French Residency Cards last week. Thank you for praying ! We are still waiting to hear about our Health Care cover.

We are thankful to the Lord for the different opportunities he has given us and the church to share our faith. ***Please pray with us for George, Manu and Christian***, 3 new non-christian contacts we have this month and that the Lord will strengthen the friendships and he will reveal himself to them.

The students in our midst have finished their exams and most of them are looking for jobs so they can save money for the coming year. ***Please pray for them and specifically pray for Claude*** who had a motorbike accident 2 weeks ago. He had an operation on his ankle and is recovering.

We are continuing the preaching workshop online and will be having 2 sessions this month then a break for the summer. We have been encouraged by the participants commitment and desire to learn.

Thank you for praying
Love from
Sena & Jane
