

How easy do you find it to read God's word?

God's word is living and active and as we engage with it it works deeply within us, making a difference to our minds, our hearts and our lives. It is a glorious gift given to sustain us each day and it is as necessary to our spiritual health as food is to our physical health.

These daily devotionals in Alistair Begg's book Truth For Life are a rich treasure. They point to the person and work of Christ. They will enable you to praise Him when you are celebrating and encourage you when you are doubting, they will comfort you when you are struggling and will be a balm when you are hurting.

Do read it and take the opportunity to think freshly about a passage and reflect deeply on the verses that the commentary opens up. Joanna would love to speak with your further and books can be easily ordered through our bookstall at Christ Church Barnston.
