

# NEEMA NEWSLETTER, AUGUST 2022

## GREETINGS

Greetings from us all at Neema Children's Home. We testify of the doing of the Lord and His goodness as we look back and reflect on the Lord's goodness upon us all here at Neema. As you are aware. the lives of the children are our key reason of existence and service. We thank you so much for being part of the success stories which encourages us to keep serving.

The Bible, in the book of Psalm 90:14, 17 (Amp Bible) reads:--

*14 O satisfy us with your mercy and loving-kindness in the morning [now, before we are older], that we may rejoice and be glad all our days.*

*17 And let the beauty and delightfulness and favor of the Lord our God be upon us; confirm and establish the work of our hands – yes, the work of our hands, confirm and establish it.*

This is our prayer and testimony that may the Lord satisfy us with His mercy and loving-kindness and that His favour be upon us. These verses have been a great encouragement, hope they will be to you.

## NEEMA HOME

This year we have six (6) class 8 candidates. As a result of the change of curriculum in our country, Grade 6 will be doing a national exam to qualify them for Junior High School. In essence, therefore, we have two candidate classes this year in our country. Please pray with us for the success of the two candidate classes. This also translates to a huge financial expense in January 2023 as we will be expected to pay

their high school fees, please pray with us for God's provision for their necessities.

*Three children, cutting a birthday cake.*

Boniface and Nancy will be going back to College next week (5/9/22). They have been home for over two months. They are ready for their 2<sup>nd</sup> semester. Please continue to pray for success in their studies. The rest of the family is in relatively good health. Two of them were taken to hospital for body pain and toothache but they are improving, after hospital, Miriam is managing them satisfactorily.

Johnston is already a Medical College student! This truly, as is with the other Neema Children in different academic levels, is a great encouragement. Thank you for your continued prayers and encouragement as we serve God through Neema children.

*Johnston filling the bulk of paper work at the Medical College registration desk. This was 29/822.*

*This photo was taken immediately Johnston was admitted at the AIC Kapsowar Medical College. We uphold him with prayers for success.*

## **NEEMA SCHOOL**

As mentioned in our July newsletter, Junior Secondary requirements are prohibitive but we are still talking with education officers so that they allow us start Junior Secondary and then grow step by step. We are hopeful that the officers will be considerate and allow us start Grade 7 in January 2023. Please remember us in your prayers so that we experience a breakthrough.

*These are Neema School Grade 3 learners during a practical lesson.*

## **OUR COUNTRY**

As you are aware, Kenyans exercised their democratic right peacefully on 9<sup>th</sup> August 2022. The elections were very peaceful; thank you for praying for peace in Kenya. We request that you pray on for God's guidance to the Judges bestowed with the responsibility of hearing and determining the disputed presidential results. We believe that all will go well by the grace of God and that Kenyans will continue to uphold peace.

## **FINAL GREETINGS**

May the Lord God Almighty shine His face upon you. May the Lord abundantly bless you and establish you we pray. May He crown your work with success.

With love and prayers,

Joshua and Miriam
