NOVEMBER 2021 NEWSLETTER

Greetings from us all here at Neema as we thank God for each one of you. It is our prayer that you all are well and experiencing the goodness of the Lord, the joy of the Lord has been our strength, we thank God for the opportunity to serve here at Neema.

In the Bible, the book of Job 14:7, reads, *"For there is hope of a tree, If it be cut down, that it will sprout again, and the tender branch thereof will not cease."* This scripture is such an encouragement. What the human eye may see as the end is not what God sees as the end. God is able to bring forth life where there evidently is no life. In other words, there is hope!

Reflecting on Neema, we see the hand of God, the protection of God, the provision of God, the care that only God can give. As the chorus goes, *This far we have come, with the Lord on our side, we have seen He is faithful for the Lord is Ebenezer! God has truly been with us,* thank for your continued prayers and encouragement.

Eldoret is warming up now after a long period of very heavy rains. The warmth is timely since farmers have not been able to harvest their crops especially maize and wheat, now the weather is just right.

The Lord has led us, protected us and has been a present help and especially in times of need. We have reason to thank God for His continuous protection and care upon us all, thank you for your prayers. This obviously does not mean that we are not going through challenges or hard times, what we have testimony of is that the presence of God in every situation has truly made the difference in this ministry.

All the children are in good health, thanks be to God. Those in High School are also doing well. Moses Mutiah, the new member (not so new now!) is also getting used to his new family. He is growing very fast and getting used to being surrounded by so many brothers and sisters who care and love him so much. The children actually are very excited when playing with him, such admirable fellowship of children. Ever thankful to God for Neema family.

Neema School continues to grow, thanks be to God. As mentioned in an earlier newsletter, for a number of years, Neema School was seen as the School for the poor, the low class of the society. That mindset is changing. We have seen noticeable change of attitude by the parents at our School, we thank God. Please pray on with us for phase two of Neema School. With the new

School academic curriculum (Competency Based Curriculum), we are expected to have classrooms to accommodate smooth transition and to enable conducive learners' environment.

Receiving donations from Luo Nation(University of Eastern Africa-CUEA students)

As always, we receive donations from all who feel led to donate to us because we know it is answered prayer.

As some of you may be aware, there has been a series of unrest in High Schools in Kenya, for that reason, the government has allowed all Schools to break for a short half term break, they all come back home for a few days from 18th November. Please pray that our time with them will be profitable and that they will travel safely. While in a way it is proper for the students to have a break, it also translates to such an expense because of travelling back home from school and back to school after a few days.

Miss Catholic University of Eastern Africa visiting with LuoNation posing for a photo after tree planting.

Below, Bunge Technical Institute students from Busia, Western Kenya. They visited for fellowship and also fact finding.

With such a wonderful facility below, we felt that we needed secure it and also control who gets in to play and at what time. We will, with time paint all the timber different colours.

Please continue to pray for us so that God may give us His wisdom and understanding so that we will be able to serve diligently and prudently. The Lord has lovingly continued to give us strength for the day, hope for tomorrow, thank you for praying with us and for us. We thank God for each and every child here, they are truly a blessing.

The peace of God be with you all. May the Lord shine His face upon you and grant you the desires of your hearts. Thank you so much for your continued support and encouragement. May the good and gracious God meet with each need you have and bless the work of your hands.

With love and prayers,

Joshua and Miriam and the entire Neema Family.
