GREETINGS

This mail comes with a lot of love and prayers. We pray and trust you are all well and kept of the Lord. Neema family has every reason to thank God. He has been our hiding place, our refuge, our God, thank you for praying with us and for us.

ELDORET

Eldoret has been raining heavily. It is very wet and cold. We pray that the Lord will keep us from ailments that may come with the floods and the cold. This past week has been extremely wet and muddy. In all this, we thank God because we have hope that vegetables and other farm produce is guaranteed.

The prayer of Kenyans is that there will be peace in this country. As you are aware, there has been a wave of chaos and demonstrations resulting to loss of lives, loss of property and extensive destruction of infrastructure. The experience has not been good. We pray that there will be tolerance and dialogue.

Otherwise we are hopeful that all will be well.

NEEMA HOME

The old chorus “What the Lord has done for me I cannot tell it all...” has words that echo our life and experience here at Neema. Indeed the Lord has done great and wonderful things in our lives and the lives of all the children. We have every reason to thank Him, the good and gracious God. Another chorus has these words, “This far I have come, with the Lord on my side, I have seen He is faithful for the Lord is Ebenezer” God, the God of the Bible has been our God even with all our faults, short comings and sins; He has remained faithful for which we are thankful. As we thank God, we are aware of the fact that you have been part of this work, we thank God for each of you and your continued encouragement and prayers, the Lord bless you abundantly. All the School going children are in School, thankfully. Three of them will be joining various Colleges and one will join Nairobi University. These success stories encourage us so much to see the babies we held when they were months old are now joining Colleges, thank you for praying with us for them. Some of the young children have some health issues and so we would request for your prayers for good health for them all.

Our garden, thankfully all green.

NEEMA CHRISTIAN SCHOOL

God has continued to increase our numbers in the School. We now have 260 learners. One of the challenges we have in the School is that the parents of the learners from the community are house helps or gardeners of our neighbors. This translates to very poor School fees payment. God has been good to us and we thank Him for His loving hands that have carried us this far as Neema Christian School fraternity.

*One of the classes in session, identifying learner talent.
The marks will be forwarded to the National examination council.*

Break time, it is time to enjoy fresh air and recreate.
