

OUNATE-LARE CHRISTMAS 2024 PRAYER UPDATE

Dear Friends,

As we approach the end of this year we want to send you warm Christmas Greetings and thank you for all your prayers and support for the ministry here in Normandy. Here is a short update.

- Thank you for praying for the Alpha Course that we ran this term. It went very well. We rejoice that our neighbour **Corinne** came to faith in Christ and is now coming regularly to church! **Esaïe and Lilian** who recently came to Christ have also attended the course and grown in their faith. Others have moved forward in their faith journey. Please pray that each one of them will become a firm disciple of Christ.
- We had a *Christmas Celebration* service on Sunday 15th December with guests. We thank God that it went very well. Please pray with us for all the non-Christian people who came and heard about Jésus, the real good news of Christmas.
- We would value your prayers for an engaged couple in the church who are going through a challenging time in their relationship at the moment. May the Lord guide them and help them through this time.
- France is going through a difficult political time. A new Prime Minister has now been appointed and he still needs to form a new government. Please pray for the nation and for wisdom for those in leadership.

We're really looking forward to having the children home with us for Christmas. Josh and Eloise will be travelling back from England and Johan from Rennes. Please pray for a blessed family time.

We wish you all a Joyful and Peaceful Christmas and a Blessed New Year.

Love from Sena & Jane
