Update from Jess

Happy 2025!
2024 has been and gone, but we want to thank God for all he has done in it. It was a year full of blessing and transition all wrapped up in one for us an organisation, as a debt centre and for me personally.

It marked the arrival of our new CEO, Stewart McCulloch, at headquarters in Bradford, whom we are so grateful for. Since he started in January 2024, CAP has fresh vibrancy and vigour, with clear vision. We at Wirral Debt Centre have had the privilege of being part of some of the future change for CAP nationally, as we were selected to be part of the re-platforming pilot for client systems. With great support from our Area Managers and head office, it's definitely been a success so far and a positive learning experience for us all. It's still in progress, but it has promise of much greater efficiency for clients, frontline workers and the head office team alike.

Last year also meant quite a lot of change for my little family. It is certainly a new, fresh season for us. And we welcome it. We're really looking forward to 2025 with God at the helm, as he calls us to partner with Him and trust Him as He guides us.

Proverbs 3:5-8
Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take. Don't be impressed with your own wisdom. Instead, fear the Lord and turn away from evil. Then you will have healing for your body and strength for your bones.

What a God! What a promise: that if we seek Him, trust Him and depend on Him to lead us in His path, His wisdom and His ways, we will have all that we need. And we will bring Him all the glory that He deserves.

Update from Christina

'Seek first the Kingdom of God above all else, and live righteously, and he will give you everything you need.' Matthew 6:33

The last few months of the year were very busy and so Christmas brought a welcome break. It also brought a time of reflection for both our work in CAP and for me personally. God has reminded me not to become complacent but to keep burning brightly for Him by seeking Him first in all areas of my life. A new year brings a blank canvas and a chance to seek His will first and what he wants us to do.
We are so thankful for all that God has done in 2024, but we are not settling there. As we have leaned into Him at the start of this new year, God is guiding us into exciting new plans and new ideas to help see more lives transformed and more people know Jesus and set free from the weight of sin and debt. He will give us all we need to do this amazing work!

Event in Focus

CAP WIRRAL CHRISTMAS: 14TH DECEMBER 2024 AT ST MARY'S CHURCH

We held our annual client Christmas lunch in St Mary's Church Upton and we had a fabulous time together. There was a real ease in the room as we played festive games, enjoyed conversation around the table during the lunch, and heard two powerful stories of our debt-free clients. Alec, Associate Vicar at St Mary's, talked to us about the challenges of Christmas in a broken world that only Jesus can fix.

Thank you for all who gave generously during the Christmas period, whether it was donating to the wonderful hampers we were able to give each client, through your time and energy helping us prepare, or through your life-changing prayers.

CAP Wirral Prayer Points

- We are running hosting a new event this year especially for our women clients this February. Please pray that God will touch their hearts with His love for them. We are hoping to make space for a men's event later in the year.
- Thank God for our continued successful drop-ins at Job Centre Birkenhead and Tomorrow's Women, which continues to welcome new clients onto our books regularly. Please pray for the drop in at Woodchurch High, that we would succeed to help local families within the school's reach with the financial help they need.
- Pray for continued protection over us and the befriender team as we go out into client's homes and into the community.
- Please pray for financial provision for our centre and practical resources that we can provide to our clients.
- Pray for clients' hearts to be open to hearing the good news of the Gospel, and for the opportunities for us to share with people.
- Pray that our post budget 4th appointment offering to help our clients learn the skills to manage their own money after becoming debt free would be of great help to them.
- Pray that our clients will have courage and strength to keep their appointments and face their debts, that they would not feel overwhelmed facing it all.

Thank you for praying with us!
