

Parish of Christchurch Barnston with St Michaels & All Angels, Pensby

Activity risk assessment

Activity: Generic Risk assessment - Warm Hub 2025

Location: St Michael & All Angels Church Hall

Name of leader with responsibility: Christopher Slater - Vicar

Date of first risk assessment: 1st November 2022

Date to be reviewed: Reviewed on 15th August 2025

Date of next review: 15th August 2026

Risk Assessor: Viv Francis

This risk assessment will cover:

- General safety
- Fire exits and alarms
- Cleaning and general hygiene
- Consideration of Safeguarding training for volunteers taking on new responsibilities
- Checks on additional electrical equipment such as portable heaters
- Risks associated with the provision of hot food and / or drinks
- Additional capacity

Christchurch with St Michael are committed to ensuring that the safety of everyone attending church events is paramount.

Leaders are aware of their responsibilities to manage events safely and to ensure that all members of their teams are briefed as to their responsibilities.

This will include pre-event planning, briefing at the commencement of activities and a review at the conclusion.

Leaders are aware of the importance that the church places on safeguarding and will comply with the advice and directions of the PSO to maintain the highest standards.
