NEEMA CHILDREN'S HOME/SCHOOL JANUARY 2026 NEWSLETTER

GREETINGS

Happy New Year, may this mail find you all well we pray. Sorry for the delay in updating you. How have you all been? We pray and believe you are kept of the Lord and that you are experiencing God's peace and good health especially this New Year. The Lord God Almighty has carried us under the shadow of His wings we have been safe and protected, you have faithfully stood with us in prayer, and we thank God so much for you all.

NEEMA CHILDREN'S HOME

When God spoke to us about starting Neema Children's Home twenty years ago, humanly speaking we could not possibly comprehend the magnitude of the ministry growing from very humble beginnings. As we see young men and women, who were babies not long ago, we have every reason to say thank you to God. This is the doing of the Lord; we stand in awe of His wonderful deeds in the lives of every Neema child.

These scriptures are true to us, **Psalm 118:23**, "This was done by the Lord; what a wonderful sight it is." And in *The Message translation*, in **1 Chronicles 16:24, 25** we read, *Publish his glory among the godless nations, his wonders to all races and religions. 25 And why? Because God is great well worth praising!*" We have the testimony of the wonderful deeds of God. This far we have come with the Lord on our side, we have seen He is faithful for the Lord is Ebenezer.

Meal time

The long School holiday is over. Most of School going children have already reported to their respective Schools. Three who sat for their Grade 9 national exam did well and have secured places in very competitive Schools. They will be reporting as from Monday 12th this month. We have 3 others who did their end of High School exam and will soon be joining

College/University. Please pray that as they transit to new environment and level of education they be guided and protected by God.

We thank God for the ended Christmas/new year season. God protected us all for which we are thankful and grateful. The holiday was 10 weeks.

As written in an earlier newsletter, 1 **Samuel 12:16-18**" *Now then, stand still and see this great thing the Lord is about to do before your eyes! . . . I will call upon the Lord to send thunder and rain. . . Then Samuel called upon the Lord . . . So all the people stood in awe of the Lord. . .*" Neema fraternity has every reason to stand in awe of the wonders of the Lord God Almighty in the lives of Neema children.

Applying this scripture to our case, we stand still; we see the great thing the Lord has done to Neema children when we call upon the Lord. You too call upon the Lord with us for good health of Neema children and their prosperity, thank you.

NEEMA CHRISTIAN SCHOOL

The School opened on 6th January 10, 2026 after two and half months of rest. Studies have begun and most of the learners are back to School.
