NEEMA CHILDREN'S HOME MARCH 2026 NEWSLETTER

GREETINGS

Greetings to you all dear friends from us all here at Neema. How have you all been? As the year progresses, may you all find joy and happiness in the Lord our God. May you all enjoy good health this year.

NEEMA CHILDREN'S HOME

Neema children are doing well. The first school term has come to an end and therefore we pray for a blessed and peaceful time with them. Some in High School and College have already arrived the rest will arrive this week.

As we celebrate the goodness and faithfulness of God in our lives and the lives of Neema children and support staff, we celebrate the graduation of Brian who has Certificate in Theology. He is now Pastor Brian! The little boy we took in now a Pastor, God is good indeed. He will continue with studies for Diploma in Theology from May this year. Please pray for God's provision and guidance.

This young man, as all of our children is a success story. God has really been good to him. This far it has been the grace of God. Thank you for upholding these children in prayer. We truly are thankful and appreciative of your concern prayers and encouragement. Each child in Neema is a success story by the grace of God. You are part of this story, God bless you.

Also, Johnston who is now a Registered Nurse will be graduating in August this year, another opportunity to rejoice and to be glad as we thank God for His goodness unto our children. Other College and University students are doing well and, as expected, more graduations in the coming years. This far the Lord has brought us and so we praise His holy name.

Kevin, who has been home for nearly two years, is now ready to join National Youth Service with the aim of later joining Kenya Army. Please pray that he will adapt to the new and drastic change. He is positive and psychologically ready. He has all along been very helpful and committed to going the extra mile as far as house chores are concerned, very disciplined and focused.

The Bible in the book of 1 Samuel 12:7, we read, Then Samuel took a stone and set it up between Mizpah and Shen. He named it *Ebenezer*, saying, "Thus far has the Lord helped us." It has taken the hand of the Lord to sustain these children who you pray for and support, thank you. We have this testimony that "This far it is the Lord."

As we see those who were babies not long ago complete training, our hearts are full of praise and thanks to God for His faithfulness and grace, and it reminds us of God's good and wonderful plans for each one of these children.

In an earlier newsletter, we wrote this verse, *1 Samuel 12:16-18* "Now then, stand still and see this great thing the Lord is about to do before your eyes! 17 . . . I will call upon the Lord to send thunder and rain. . . .18 Then Samuel called upon the Lord,. . . . So all the people stood in awe of the Lord. . . ." In our case here at Neema, we have a testimony of the doing of the Lord. God has truly been our help and shepherd. The improved health of the children is as a result of your prayers, thank you. Their social life has also improved, there is significant emotional connection and fellowship amongst the children, God is good indeed.

NEEMA CHRISTIAN SCHOOL

What manner of God are you oh God! The magnificent building has finally taken shape. It is finally ready for use. The new classroom block has six classrooms. By the time schools open on 28/4/26, we will have decided which grade will occupy which room. Once again, thank you for your contributions towards this building, we have thanked you before and we continue to thank you for the support. Thank all for praying, God bless you.

God has continued to bless our School for which we are thankful. The school is growing steadily as we keep to our mandate and calling, to help the vulnerable of our society in ensuring the learners have access to quality education. Their disadvantaged formative years may impact their spiritual and physical lives but we try to counsel and pray that they will know that God loves and cares for them.
