Dear Neema Children's Home Friends,

GREETINGS

Receive warm greetings from Neema. May the peace of God be with you all we pray, may the joy of the Lord be your strength. May this letter find you all well. How have you all been? It is our prayer that you are all kept of the Lord. Glad to have the opportunity to write to you again as we update you on Neema News.

NEEMA HOME

The Bible in Psalm 118:17, 23, 24 says, v17, *I will not die but live, and will proclaim what the Lord has done.* v21, *I will give you thanks, for you answered me; ...v23 the Lord has done this, and it is marvelous in our eyes.*

We have the assurance that God is on His throne forever, praise His holy name. Good and upright is He. The Bible reminds us that God has wonderful plans for each one of us, Jeremiah 29:11, 12 reads, *"For I know the thoughts and plans I have for you, says the Lord, thoughts and plans for welfare and peace not for evil, to give you hope in your final outcome, 12 then you will call upon Me, and I will hear and heed you."* (The Amplified Bible). Thanks be to our God who has good plans for Neema children and us all. He will give the children and us hope and good future. May it come to be true to you too as you pray for us.

Neema children are home now. The total number now is 46 which includes some who have been reintegrated though most of the time when they close school or during school half term break come to Neema. We thank God for safety while in school and when they were travelling home from school. We request that you pray with us for a peaceful interactive time with them at home. They all have a whole month at home. Thankfully also, they are in good health; God is good indeed, thank you for praying for their good health. Also, we thank God for two of our boys who will be joining University in two weeks' time and one will join College next month. The three sat for Form 4 exam last year and they did well. The two joining University will do Education; the one joining College will do Communications. Please remember them in your prayers as they experience life very different from what they are used to though not difficult. We pray they will settle in their new stations and work hard.

Scrabble time as we relax with the children in the evening.

Fun time!

The rest of the family is doing well. Those in College and University are progressing well, we thank God. Last month, we were requested to rescue three children who were living a difficult life because of physical and emotional torture and abuse by their biological father. He has since been arrested. We were actually to rescue for a few days but not it's nearly two months. They are psychologically disturbed and so we hope the officer concerned will keep her word and reintegrate them soonest because the mother is living and can be with her children.

NEEMA CHRISTIAN SCHOOL

God has really favored us by making it possible by way of loan acquire a new School bus. This development has eased a lot of transport hitches and challenges; we thank God and thank you for praying with us.

School Music and Drama Club did well in their performance. They managed to go up to County level. Also, the field track event team did well to run up to County level. God is a good and gracious God. Our school is improving all round, we thank God and thank you for praying for the increase in numbers. School has closed till August 25/8/2026.
